

# Homeschool Connections 2011-2012 Family Responsibilities Contract

## Parent Responsibilities

*(Initial or check each item, sign and date, and keep in your mailbox folder)*

- \_\_\_\_\_ I understand Homeschool Connections runs as a cooperative effort. I am willing to help where needed and abide by the policies and procedures of our organization.
- \_\_\_\_\_ I have registered only my students and will not bring other children with me.
- \_\_\_\_\_ I will be on-site. If a situation arises and I must be absent temporarily, I will put a Parent Off-Site note in my mailbox. If another Connections' parent is responsible for my teens (ages 13 and up) on an ongoing basis, I will put a Sharing Responsibility for Teens form in my mailbox.
- \_\_\_\_\_ I will be the parent-in-charge of only one family at a time.
- \_\_\_\_\_ I will be sure my students are in class, study hall, playroom, or with me in my car at all times.
- \_\_\_\_\_ I will pay my tuition in a timely manner.
- \_\_\_\_\_ If I must drop a class, I will pay for the next full month of tuition.
- \_\_\_\_\_ I will complete my assigned job on a regular basis. If I cannot do my job, I will contact my job partner to fill in for me.
- \_\_\_\_\_ I will have my students prepared and to class on time. During class, I will silence my cell phone and refrain from visiting.
- \_\_\_\_\_ I will stay out of rooms we are not using, eat only in designated areas, and clean up after myself and my students after lunch.
- \_\_\_\_\_ I understand and will abide by Connections' food policy.
- \_\_\_\_\_ I will not walk my dog on the church grounds.
- \_\_\_\_\_ I will check my mailbox folder weekly and abide by new policies sent by email.

## Student Responsibilities

*(Parents initial or check each item as they are reviewed with your students)*

- \_\_\_\_\_ My students understand they need to be in class or study hall during class times. They may not be in the hallway while classes are in session.
- \_\_\_\_\_ My students understand they must be supervised by an adult if they are outside, in their car, or on the playground. They may not go to 7-11 unless accompanied by an adult.
- \_\_\_\_\_ My students understand they may not go into rooms we are not using including Northlake's lobby.
- \_\_\_\_\_ My students understand they must eat only in designated areas and clean up after themselves at lunch.
- \_\_\_\_\_ My students understand they may not use the church playgrounds if they are over 11 years old. They must stay off fences, out of trees, and off the landscaping. They may not have bicycles, skateboards, or scooters on-site and may not use roller shoes in the building.
- \_\_\_\_\_ My students understand they may only play ball games in the coned off areas while a supervising parent is present.
- \_\_\_\_\_ My students understand they must not use or display knives, lighters, or any other such implements.
- \_\_\_\_\_ My students understand they must prefer modesty over making a "statement" with their clothing, make-up, and jewelry. Clothing should reflect modest hemlines and necklines with no visible underclothes and not be distracting to other students or teachers.
- \_\_\_\_\_ My teen students understand there is no physical contact between male and female students.
- \_\_\_\_\_ My driving teens understand they must drive safely and slowly through the parking lot.
